Supporting Students with ASD in your Classroom (An Online Course for Teachers)

This interactive online course is intended to provide participants with the most current understanding of evidence-based practices for teaching students with Autism Spectrum Disorder (ASD). This course is designed for **teachers** who share an interest in learning about ASD and currently work with students in a K-12 school-setting.

This course is open to teachers and other professionals (Administrators, District Helping Teachers, Speech Language Pathologists, Counselors, School Psychologists, Occupational Therapists) employed in BC School Districts / independent schools ONLY.

To ensure a positive and successful learning experience, participants should be comfortable working with technology and navigating an online environment.

First Name:

Last Name:

Email address (please provide the email address to which you wish all correspondence regarding this course sent):

Mailing address (please provide the address to which you would like your workbook sent):

Street or PO:

City:

Province:

Postal Code:

Phone number:

Alternate phone number:

School District # and Name:

School Name:

Please answer the following:

1. I am a teacher or other professional (Administrator, District Helping Teacher, Speech Language Pathologist, Counselor, School Psychologist, Occupational Therapist) working in a BC School District or Independent School:
 YES NO
2. Please include some information about your role (e.g. Resource, classroom, grade level, SLP, administrator, etc):
3. Level of student(s) with whom you work (choose only ONE – if both apply, select the level with which you work the most):
 ELEMENTARY / MIDDLE SECONDARY

4. Please provide a bit of information about why you are interested in taking this course (2-5 sentences):

5. I have reviewed the course syllabus and can commit to the estimated 45+ hours required to complete this course over the scheduled 15-week period, including readings, assignments, live online sessions, and completion of an independent project:
 YES NO

6. I can participate in all 3 scheduled live sessions (NOTE: an August session can be missed if absolutely necessary):
 YES NO
