

This Privacy Policy governs the manner in which POPARD collects, uses, maintains and discloses information collected from users (each, a "User") of the FriendShip Space mobile application ("App"). This privacy policy applies to the App and all products and services offered by POPARD.

#### Personal identification information

We may collect personal identification information from Users in a variety of ways, including, but not limited to, when Users visit our App, register on the App, fill out a form, and in connection with other activities, services, features or resources we make available on our App. Users may be asked for, as appropriate, name, email address. We will collect personal identification information from Users only if they voluntarily submit such information to us. Users can always refuse to supply personal identification information, except that it may prevent them from engaging in certain App related activities.

#### Non-personal identification information

We may collect non-personal identification information about Users whenever they interact with our App. Non-personal identification information may include the browser name, the type of computer and technical information about Users means of connection to our App, such as the operating system and the Internet service providers utilized and other similar information.

#### How we use collected information

POPARD may collect and use Users personal information for the following purposes:

- To personalize user experience

We may use information in the aggregate to understand how our Users as a group use the services and resources provided on our App.

- To send periodic emails

We may use the email address to respond to their inquiries, questions, and/or other requests such as password resets.

User data will only be deleted at the request of that user. At the discretion of POPARD, the developer reserves the right to delete all user data and remove all functionality from the app at any time.

#### How we protect your information

We adopt appropriate data collection, storage and processing practices and security measures to protect against unauthorized access, alteration, disclosure or destruction of your personal information, username, password, transaction information and data stored on our App.

Sensitive and private data exchange between the App and its Users happens over a SSL secured communication channel and is encrypted and protected with digital signatures. Information the user has saved in their account is stored on the server so that when students log in on different devices they are able to see their previously recorded responses. This information is stored on a server, fully anonymized and cannot be linked back to users under ANY circumstances. User information is stored for the lifetime of the account. Accounts (and all information) can be deleted by emailing: [friendship-space-help@gmail.com](mailto:friendship-space-help@gmail.com)

### Sharing your personal information

We do not sell, trade, or rent Users personal identification information to others. We do not share generic aggregated demographic information regarding visitors and users with business partners, trusted affiliates or advertisers.

### Changes to this privacy policy

POPARD has the discretion to update this privacy policy at any time. When we do, we will send you an email. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

### Your acceptance of these terms

Current convention for applications currently published in the App store is such that account creation is an action that demonstrates acceptance of the terms and conditions. By using this App, you signify your acceptance of this policy. If you do not agree to this policy, please do not use our App. Your continued use of the App following the posting of changes to this policy will be deemed your acceptance of those changes.

### Contacting us

If you have any questions about this Privacy Policy, the practices of this app, or your dealings with this app, please contact us at:
