

Task of the Month

Month	Task	ABLLS-R Code	Skill Level
November	Match words to picture	Q5	Basic

Setup

1. Print out the worksheet, or whichever materials are being used
2. Set up words in one pile, and pictures in another pile
3. Ask the student for help in lining up the cards (an easy task to get their buy-in)
4. Allow the student to observe how a card from the picture pile is selected, and together guess what the item is
5. Then locate the card with the corresponding word
6. Emphasize how easy and fun the task is
7. Ask the student to try one, and give encouragement
8. Provide exaggerated social praise when completed
9. Ask the student to continue until all the cards are completed
10. Put the cards back in the box, envelope, or other storage unit
11. Repeat while fading prompts and praise until independent
12. Once the task is independent, add new words/pictures to increase challenge and remove words that are known
