POPARD'S District Partner Event

Wednesday, May 3, 2017 | Richmond, BC

Westin Wall Centre – Vancouver Airport

Continuing the theme of our two-day conference, **Shakin' It Up!**, which considered behavior analysis techniques from a different angle, we will spend this day in a smaller group with only our District Partners and Key Contacts (not open to other attendees), exploring new ideas and fresh perspectives.

In addition to highlighting some new POPARD services, we will be showcasing applications and other unique collaborations that have occurred throughout the province. One goal of the day will be to find ways of "getting the best bang for your buck!" Creative ways of using POPARD time, efficient processes, and inventive approaches will be shared.
