

Do you have a child with a disability (e.g., autism, ADHD, ID, CP) or do you work with children with disabilities?

We are looking for

- Parents of children with disabilities, aged ≤ 13 years old
- Clinicians working with children with disabilities

You will have the opportunity to participate in an **online survey** and contribute to developing best practices to improve the resilience and healthcare system for children with disabilities.

You will have the opportunity to win one of 30 gift cards each valued at \$50.

Principal investigator: Dr. Parisa Ghanouni
