

# Call for Participants

## For a UBC research study about Autistic perspectives on the PEERS social skills program

Research Team: Dr. William McKee (Principal Investigator),  
Dr. Grace Iarocci, Dr. Vicki Knight, Dr. Thomas Schanding, & Erika Thauberger

**We are interested in the opinions that adolescents on the spectrum have about the PEERS Social Skills Program**

### If you:

- Have an Autism (or similar) diagnosis
- Are 12-18 years old
- And have *never* participated in the PEERS Social Skills Program

**Then you may be eligible to participate**  
**Participants will receive a \$10.00 Cash or Amazon Gift Card**

Please contact Erika Thauberger at
